SCJRTC NEWSLETTER

Prez Sez

First of all I want to say I hope each of you had a wonderful Christmas and that the New Year will be filled with God's many Blessings.

I'm sorry I could not be at the Fun Day, but heard that it turned out great and all had a lot of fun. I want to thank Brain for picking up the trailer for us and taking it home, what a big help that was. Thank you so much.

Sam & Lisa thank you for all your hard work of setting up and taking down. I know there were others, but not being there all I can say is thank you each and every one. With out each one of you, there will be no fun days or shows. Thank you DiDi for doing the racing, I know everyone thanks you for that.

The meeting went well, but we will need many hands to put this show on, so don't feel you have nothing to offer. We will need many hands to pull it off, so don't be afraid to offer no job is to small or big, they all need to someone to do them, just ask if you could help.

In closing I would like to congratulate Sam on becoming a State Rep. We all give you a great big hand.

Thank You to all of you for doing such a great job, there are those who do jobs that no one ever sees, but without them we could not run this club. Keep up the great work.

Last but not least WELCOME to all the new Terrier owners who came to the Fun Day we hope to see you again.

A Short Story

On September 23 rd, I was in West Virginia to pick up our new puppy from Cheryl Hart of Hart Farms . While out there, Cheryl asked if I wanted to go and see my pups dam work. Of course I said “yes”! So off we went. We entered the field and soon collard up Hart Farms Annie Oakley and Hart Farms Ooze. Cheryl instructed to just follow Annie around while she finished putting a collar on Ooze. Just as Cheryl finished, Annie was in a two hole set, barking her head off. The set Annie entered was a two hole set. Cheryl came over and located Annie about three feet down. She was near the second hole and we anticipated a bolt since we could see the ground hog’s rear end. So we waited, and few short minutes later, a hog bolted with Annie hot on it’s heels. The hog did not go to far before Annie caught up to it and tumbled it. The fight was on. I was able to tail the hog and lift it off the ground. As I did that, it got a good chunk of Annie’s chest, but soon let go. Cheryl told me to let the hog go back in the set. As I did that, Annie got away from Cheryl and she was back in the set. The hog was not going to bolt this time. To make a long story short, we dug to the hog and it finally bolted. Annie was collected and her wounds were checked. This was the first time Annie had ever taken a hit in the years she has been working. After seeing Annie work, I can’t wait to get our Kimber in the field and see what she can do!

DIGGIN WEST CHALLENGE

September 27-28, 2008

The weekend started early for me and Lysa. We left our home at 2 a.m. To be in Madera early to help Dawn Kelly and her crew set up for the trial. We arrived at the fair grounds about 9 a.m., set up our motor home and got jack booth. Then the fun began. We worked all day until about 2 p.m. Getting the trial set up. This would not have been possible if were not for the many folks being there to help.

It was early Saturday morning and it was show time. We had a good weekend with Remi winning all his conformation classes. He got 4th in GTG on Saturday, but turned in great times on Sunday to win Reserve Champion in the over certificate class. He also won the over super earth class only to be beat out for the champion ribbons by

a couple of veteran dogs. Kudos to them and their owners.

Some of the other South Coast members had a great weekend as well. Glen and Deanna Gillette from Promised Land Jack Russell Terriers had some champions in the GTG classes. Cheryl Costello and Michelle Davies had some winners in Conformation. Didi Gough, Brad and Janine McClure had good performances from their terriers in racing. Brian Bennett’s terriers did well in agility. Jen Elsner, a member from Grass Valley also had a good weekend in the conformation ring.

All in all, the South Coast Members and their terriers performed well this weekend and made a good showing. They all showed good sportsmanship and all were having fun with friends and terriers. It is times like these that make me proud to a member of this great club.

2008 Nationals

We had a good trial, though full of calamities, too many small injuries and luckily no horrible ones. The weather was gorgeous with crisp cold mornings, beautiful clear skies and bright sun shine in the days (it rained Thursday). Maryland is beautiful that time of year with the leaves changing and the bright green grass and blue skies. The terrier numbers appeared to be down but there was still a large number of dogs (not sure how many). Racing was fast and furious. Who won what is available on the forum. I don't want to get it wrong here. I know Cowboy Jack (Dawn Kelly) got a 6th in Vet Bronze Medallion class, I think Best Open Terrier was Fox Island Joe and Reserve was Little Eden Sassafras. Lost Acres Perfect Ending (PRETTY) was Working Terrier Champion again! Reserve was Silkwood Sadie.

Conquest Jock got Best Family and I think Dagger was reserve. Janine and Didi were running the JRTCA rally, lots of nice prizes were won. Livingston was second in flats, but had a fall in the finals at Hurdles after winning his heats by several lengths, so no ribbon and no chance at the championship. We got a qualifying score in Rally. He beat the times of all the dogs young, old, small and large at the Field Lure course for Friday. But for competition, the times were for the whole weekend, and Goose from Florida ran an amazing 12.58 on Saturday to win (Livingston was 14.2). Livingston

was 5th in Agility. He Won Trailing and Locating Tall dogs (not divided into veterans). Saturday he was 5th in top gun (got caught in the rope and got a bad rope burn) , 2nd in Top Gun Sunday, 3rd in the Fun Zone (Agility obstacles in a curving lure course). Though he cut his eye, the vet said it should be ok (really scared me but he is getting better). 6 ribbons an the “Q” ribbon, not bad! There were allot of nice things for sale in the JRTCA store also. We had a great time with friends, new and old. We are back safely and tired. Livingston is happy to be home and so am I.

Anaheim Fun

November 8, 2008

By Sam Hummel

Another SCJRTC Fun Day has come and gone. And I am glad to report that we had a great turn out. Thanks to everyone who came out in support of the club and to have fun with their terriers.

Didi Gough did a wonderful job running and organizing racing. She let the dogs run several times and even had two ribbon run offs. Places 1st- 6th were given bookmark ribbons. She ran the inexperienced terriers, over terriers and under terriers. Anyone who wanted to run for the ribbons could do so. Kind of like a drag race. It was fun for all. Brian Bennett was kind enough to pick up the agility trailer from Didi’s house and bring it to the fun day. Brian also set up several jumps and the “A” Frame to let novice dogs and handlers come out try there metal on an agility course. Every time I looked over there, there were people with their dogs on the equipment. Thanks Brian.

I set up GTG, and held a beginners clinic for the first session. Wow, I was over whelmed. I must of had at least 25 or more handlers to teach. It was fun though. After getting several of the beginners through the baby tunnel and turned on to the rat, many of them had no trouble going through the 10’ novice tunnel and staying with the rat. And, many of the new terriers that made through the novice tunnel graduated and went through the certificate tunnel. Good job. While running terriers through the tunnels, I wrote the terriers names and noted

whether they were running the novice tunnel or the certificate tunnel and wrote their times down. I was going to give ribbons, but everyone left without knowing the results. So here are the classes, terriers and times they in order of placing. Placing was determined by the first time recorded for both classes.

Novice (10’ tunnel)

Terrier	1st Time	2nd Time
Tammy	2.32	
Big Willy	3.26	
Kobe	3.46	
Chase	3.68

8 Ball Corner Pocket	5.70

Good job to all, and I hope you all had fun. If you have any questions about training your dog for GTG, go ahead and send me an email and I’ll be glad to help in any way I can. I also want to thank Janine and Brad McClure for their help at racing and GTG. And thank you to Cindy Fitzpatrick, Marni Ticker, Ken Saunders and his family and other members for helping out in all areas including set up, tear down, registration and catching in racing. Everyone's help is greatly appreciated.

A MESSAGE FROM GLENWOOD

"BOLT"

2/21/07-11/07/08

Well, the day that I've been dreading came along and I had to make the heartbreaking decision to euthanize Bolt. He had a major seizure yesterday, and today he was having seizures back to back. So, I had to do the right thing. It was really hard on Doc and I. Especially, telling the vets what tissue samples to send back to the University of Missouri. I can only hope that he and his family (who's DNA is in) will be part of finding a marker for late onset.

If you are a breeder please take part in the testing for cerebral ataxia, even if you haven't produced it. A cheek swab kit should be out in a short while. Bolt had a buddy, a lab, and whenever he would have a seizure the lab would lick him all over as if to be trying to "wake him up". They were soul mates, if dogs have those sort of things. They slept together, played together and Gus (the lab) took care of him. I'm sure Gus is wondering where his little buddy is.

IMPORTANT

The JRTCA is adamantly opposed to recognition/registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the working Jack Russell Terrier. In keeping with this policy, JRTCA membership is limited to individuals who support the JRTCA's principles. Registration of Jack Russell Terriers (or any variant thereof) with any all-breed kennel club, or membership in any organization that supports all-breed kennel club recognition/registration, is not acceptable for application to membership in the JRTCA.

The Jack Russell Terrier is a unique working terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure, and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCA's unique registry, with its strict inbreeding limitations and health requirements, breed standard, Breeders' Code of Ethics, and working certificate, sanctioned judge and field trial programs are all designed to do just that. All those who support the JRTCA's principles are welcome and encouraged to join the JRTCA and help us preserve this great little terrier.
