ATTENTION MEMBERS

Don't forget to renew your memberships with the SCJRTC and the JRTCA. They are due soon for the 2009 season. Also, Breeders, don't forget to sign a your Breeders Code of Ethics for 2009. Breeders: Sign the BCOE and send a copy to the JRTCA Club Office and a copy to the SCJRTC Secretary, Sharon Greene.

I received this email earlier in March. There are few magazines that talk about the things we need to know about our terriers. Other than the JRTCA's, "True Grit", I have only found 2 other publications where terrier folks can tell stories about hunting, breeding and genetics. So, I have asked to be put on the list for the first few magazines and I will let you know how it is...

Attention Fellow Terriermen and women:

A new Terrier publication is in the works; hopefully we should have the first copy available by the first of May.

The purpose of this magazine is to promote the Jack Russell Terrier and the men and women who show and work this tough little Terrier, as well as Lakelands, Patterdales, Borders, or dig to dogs period.

We are looking for articles and ads. Our goal is to have a monthly magazine, with articles on, hunting, training, showing, breeding, genetics, youth, legislation, health and nutrition etc. we hope to end the year with a Dec. Issue focusing on the Parade of Champions, to include, NHCs, Bronze Medallions, Conformation Champions, and AWTA awards. For this magazine to be successful, we need ads, articles, and pictures for the cover.

Any suggestions would be greatly appreciated and welcomed. We are working out of pocket, so bare with us as we grow. The first three issues will free of charge. subscription for one year will be \$15.00. Please support us in this endeavor!

June 12 & 13, 2009

A select few terriers from the Western Region will be selected to compete in this years:

The SCJRTC has been asked to run the Jack Russell Terrier Racing Event. The SCJRTC will select 24 terriers to compete for the Western Regional Champion and a chance to go to Purina Farms to compete for the 2009 Terrier Racing Champion. For more information on this event, contact Sam Hummel, newsletter editor.

EASTER BASH

The SCJRTC Easter Bash Trial has come and gone. Although our club officer's worked our fingers to the bone, it was a great time. It was nice to see some old friends and make many new ones. For such a small trial, we had a decent turn out. I would like to thank everyone who traveled from Northern California, Oregon, Colorado, Arizona and other parts of Southern California who came in support of club and our trial.

We would like to send out a special thanks to our judges Michelle Davies and Cheryl Hart, who took time out to come out from Oregon and West Virginia to Judge our trial. I judged Go-to-Ground and Barn Hunt and got to meet so many new people, it was great. I loved seeing the new faces and loved helping them. Also, I want to congratulate all the folks who walked away winners. That means everyone! Any time you can get out with your terrier and other terrier people and have fun, you are winners in my book.

But a very special, big CONGRATULATIONS goes out to Alison Cook-Cilliers and her terrier Kimberlite Livingston for winning the first Breezy Meadows Cabela Memorial Racing Trophy which my wife and I had commissioned by a sculptor and donated to the club. How did Livingston win the trophy? Well, he competed in adult flat racing, and hurdle racing. He qualified for the Adult finals and won. He, along with

The other winners of the adult racing classes got to run one more time over the hurdles. The winner of that race, won the privilege of his name put on the trophy, received another trophy, ribbon and gift basket. Congratulations to all that competed for the trophy. You will soon see pictures of the winner, the trophies and the gift basket on the SCJRTC website and hopefully in the Affiliate section of True Grit.

We also want to thank Cheryl Hart for her Conformation/ Hunting seminar that she gave at the dinner Saturday night. We received allot of good feedback from those that attended. I know I learned something from it. I hope you did as well.

Well that is all I have for now. The trial results will posted shortly on the website. And I hope to see many of you at our next fun day.

Attached are some emails we received on the clubs Yahoo Group from folks who attended the trial. And for those who posted these, thank you so much for supporting us!

“Hi Everyone,

Thank you to everyone that was involved in putting together a GREAT Trial. It was a first for me and my dogs. I thought "fun days" were fun, but the trial was a blast!!! I was so proud of my dogs. I've never done confirmation before, and knowing my terrier is timid with people sometimes, I wanted her

(and me) to experience it, so I gave it a try. She stood there so nice for the judge, I was so proud of her. It was something we had just been working on the past week and a half when I decided to sign her up for the class. Of course we were "novice" and she's really nothing special to anyone but me, but she took 2nd place and I was very happy with it, not expecting any ribbon at all, just wanting the experience. My male loves racing at fun days, so we went "novice" with him as well, having never been to a trial before. He took 2nd and again, I was so proud. I bought a fox tail from Lisa Hummel and my dogs are in heaven when I get it out. Willy sits at the closet door where I put it and whines. He loves the lure. He couldn't quite get the maneuvering through the bungy cords in the super go-to-ground, but give him the regular tunnel and he crawls right through. Just the sight of the starting box, the lure or a tunnel hole and he goes bonkers. It's amazing to me, how he "turns it on", since he's such a couch potato and not a JRT when at home. Thanks Lisa and Sam for all your work with the trial and for having very affordable JRT leashes, gifts, toys, accessories, etc. available for sale. I also want to thank Glenwood Pet Products/ JRT for the WONDERFUL gift basket that I won. There were so many great things in it. I can't wait for the next trial to use the pretty show lead. Anyway, I just want to let you know how much everybody's hard work was appreciated. It was a great weekend!"

"Just wanted to thank everyone that helped put on and run the trial this weekend. Kelly and I enjoyed ourselves and it was a very nicely organized show and it seems it all went off without a hitch. Kudos to you all and thanks for all the hard work!"

"What a great time at the Easter Bash!!!

Thanks Cheryl for helping get Yogi finished and ready for his confirmation class and giving me so many wonderful pointers! AND congratulations on owning BOTH his parents, BIG SMITH CLINT and GLENWOOD KELLENE! Thanks to Michelle Davies for all of her assistance and to everyone else that helped me and just who were incredibly nice people!!! Sam, thanks for your help and patience also!!!

We all had so much fun!!! Hope that we'll have a FUN DAY soon!"

"This was also our first trial. It was so much fun! I wish I didn't have this darn injured arm! But it did "force" Bob to be more involved and he loved it! Thanks to all for all your hard work and to everyone for being so supportive of me in my new role as Ca Rescue Coordinator for Russell Rescue. The run for fun and lure were so much fun for Sammi. The minute we got home she ran out to her backyard to continue the hunt. Owen (my lazy little JRT) on the other hand doesn't seem to be much of a competitor but really enjoyed the social aspects of it. He's decided he really

liked the barn hunt and meeting the rat; he's bugging me to get him one as a friend. Says he would like someone to sit on the couch and watch TV with. Thinks he might be able to train it to get the remote and bring him his doggy biscuits. LOL! Maybe he'll be less timid at the next one!"

"Hello,

I attend the Easter Bash yesterday in Featherly Park and had a great time watching the racing and talking with members. Everyone was so helpful and did a wonderful job with the event. It was my first time and wasn't able yet to bring my little girl. I have an appointment on Tuesday to get her trained to be more socialized with other dogs.

I did take some photos yesterday and would be glad to post them if someone would tell how and where..

I look forward to going to more events and fun days when they come up."

Once again, thank you to everyone who attended and helped us put this together. Without you guys, our club would not be able to have these type of events.
